

COVID-19 Message from U.S. Auto Credit

U.S. Auto Credit understands the severity of COVID-19 and is committed to continuing to provide the best service possible to both its customers and dealers while ensuring the appropriate safety measures are taken.

You can be confident that you will continue to have the ability to reach us. We have successfully enabled the majority of our employees to work remotely so that we can continue to provide the same level of service with no reduction in office hours. Additionally, we require that all employees follow CDC prevention guidelines. We have taken these actions to promote the safety and health of our employees and to ensure compliance with state and local orders.

We are available to discuss payment relief options for those affected by COVID-19. If you would like to discuss these options, please contact us at (866) 331-2331, Monday through Thursday from 8:00 AM – 8:00 PM EST, Friday from 8:00 AM – 6:00 PM EST, and Saturday from 8:00 AM – 12:00 PM EST.

We will continue to monitor the situation to understand the effects COVID-19 will have on our customers, dealers and communities so that we can better assist you as needed.
